

**Energy Information Administration**  
Washington, DC

# **Weekly Coal Production**

Production for Week Ended:  
February 11, 1989

## Preface

The *Weekly Coal Production (WCP)* provides weekly production estimates of U.S. coal by State, as well as supplementary data which are usually published twice a month. This week's Supplement 1 includes monthly and annual U.S. level data on coal production, consumption, stocks, imports, and exports. Supplement 2 contains detailed monthly data covering electric utility coal consumption, stocks, and receipts (quantity and price); and coal imports and exports.

This publication is prepared by the Coal Division; Office of Coal, Nuclear, Electric and Alternate Fuels; Energy Information Administration (EIA) to fulfill its data collection and dissemination responsibilities as

specified in the Federal Energy Administration Act of 1974 (P.L. 93-275) as amended. *Weekly Coal Production* is intended for use by industry, press, State and local governments, and consumers. Other publications that may be of interest are the quarterly *Coal Distribution Report*, the *Quarterly Coal Report*, *Coal Production 1987*, and *Coal Data: A Reference*.

This publication was prepared by Wayne M. Watson under the direction of Mary K. Paull and Noel C. Balthasar, Chief, Data Systems Branch. *Questions on energy statistics should be directed to the National Energy Information Center (NEIC) at (202)586-8800.*

- Released for Printing February 17, 1989

## Summary

U.S. coal production in the week ended February 11, 1989, as estimated by the Energy Information Administration, totaled 18 million short tons, 4 percent higher

than production in the previous week. Coal production east of the Mississippi increased slightly and production west of the Mississippi was 10 percent higher.

# “An investment in knowledge pays the best interest.”

Your Government has published thousands of books to serve America. And now the Government Printing Office has put together a catalog of the Government's “Bestsellers”—almost a thousand books in all. Books like *The Space Shuttle at Work, Starting a Business, U.S. Postage Stamps, and National Parks Guide and Map*. I daresay there's even information on one of my favorite subjects—printing.

Find out what the Government has published for you—send for your **free** catalog. Write—

## **New Catalog**
